Advance payments may be authorised where appropriate. Such payments will be subtracted from the amount of any later reimbursements. If expenditure is, for whatever reason, not incurred then any advance payments made, or any unspent portion of such payments, must be returned.

Fixed *per diem* payments may be authorised where appropriate.

Staff are authorised to approve expenses to the amount specified in their individual job statement, and for expenditure above this level must seek specific authorisation from their supervisors.

Except where *per diem* payments have been authorised, staff and volunteers incurring authorised expenditure must, wherever possible, receive and retain receipts, invoices, vouchers, tickets, or other evidence of such expenditure.

Staff and volunteers incurring authorised expenditure must submit requests for reimbursement to the designated person (depending on the sum in question) on the standard form approved by the CEO, describing the nature and purpose of the expenses. The completed form must be signed by the applicant.

Except where *per diem* payments have been authorised, staff and volunteers incurring authorised expenditure must present all relevant original receipts, invoices, vouchers, tickets, or other evidence of such expenditure when seeking reimbursement. Where such evidence is for any reason lacking, statutory declarations may be sought.

The CEO is responsible for determining if the expenses being claimed are reasonable given the circumstances, and for ensuring they are charged against the appropriate account, and that any requirements under the Fringe Benefits Tax legislation have been met.

Claims that have not been properly prepared, authorised, or supported by adequate documentation will be returned to the claimant and the reasons will be given for not processing the claim.
