Will support spending in 2021-22 of at least:	Yes/No
\$50,000 to support community language schools — including support for volunteers, not-for-profit associations and for getting access to venues — so that the rich and diverse language skills within our Tasmanian community are maintained as an asset for Tasmania’s future.	Y
\$100,000 for culture and language awareness training in our emergency services — to ensure great service from our emergency services to culturally and linguistically diverse (CALD) Tasmanians, and ensure that CALD Tasmanians are able to assist emergency services in their important work for all Tasmanians.	Y
\$150,000 for dedicated multicultural gathering spaces in Hobart, Launceston and the North West.	Y
\$150,000 to tap into experience and qualifications obtained outside Tasmania through: support for employers to try out CALD Tasmanians via internships and work experience; a conference on the productivity impact of employing CALD Tasmanians; and a review of State Government occupational licensing.	Y
\$200,000 \$100,000 in emergency relief for temporary visa holders ineligible for JobSeeker who have suffered significant income loss in Tasmania since the COVID-19 crisis.	Y
\$200,000 \$100,000 towards anti-racism campaigning — extending to townships with seasonal workforces, and including messaging countering the attitudes of perpetrators. + extend program in	Y
